ESTABLISHING UNINTENTIONAL DELAY**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

1. This case was filed on behalf of Cincinnati Machine UK Ltd. (Applicant) by its attorney Daniel C. Stelter (Stelter) on February 14, 2002.
2. Cincinnati Machine UK Ltd. is a wholly owned subsidiary of UNOVA, Inc. (UNOVA) and Stelter was a full time employee of UNOVA.
3. A First Office Action was issued in this case on March 24, 2003.
4. For the reasons that are unknown to the undersigned attorney Brian L. Ribando (Ribando), Stelter did not reply to the First Office Action and a Notice of Abandonment was mailed in this case on October 2, 2003.
5. Applicant did not intend to abandon this case.
6. In the intervening time, effective December 31, 2003, Stelter has left the employment of UNOVA and Stelter's entire patent and trademark docket has been assigned to the Undersigned who now represents Applicant before the United States Patent and Trademark Office.

7. Stelter as Applicant's attorney maintained an office in the Cincinnati, Ohio area and Ribando maintains an office in the Detroit, Michigan area.
8. Stelter's patent and trademark docket was shipped from Stelter's office to Ribando's office and comprises the contents of three file cabinets of files and eight banker's boxes of files.
9. Due to the volume and size of Stelter's patent and trademark docket, Ribando became aware of the Abandoned status of this case on Monday, January 26, 2004.
10. Ribando advised Applicant of the abandoned status of this case on January 28, 2004, and Applicant advised Ribando of the desire to revive this case on February 5, 2004.
11. Because of a heavy workload and the need to prepare a response to the Office Action of March 24, 2003, in which all claims in this application were rejected on the basis of prior art, Ribando began working on Amendment for this application on March 26, 2004.
12. Attorney for Applicant Ribando now files the attached Response to the First Office Action of March 24, 2003 and a PETITION FOR REVIVAL OF AN APPLICATION FOR A PATENT ABANDONED UNINTENTIONALLY UNDER 37 C.F.R. 1.137(b), and states that the entire delay was unintentional for the facts set forth herein.

Respectfully submitted,

REISING, ETHINGTON, BARNES, KISSELLE, P.C.

Brian L. Ribando
